

# IEP MEETINGS: TYPES

## Domain Meetings

- Team members collect existing info about the student
- Purpose is to get consent so that IEP team members can complete any assessment (Ex: SIB-R)
- Considers multiple domains
- Every 3 years/ in conjunction with Eligibility

## Eligibility

- Held every 3 years about 60 days after domain meeting
- Purpose is to determine if the student meets criteria for special education
- Team members share assessment results
- Sometimes this meeting is held with the annual review

## Annual Review

- Held every year
- Addresses student goals/ progress, present levels of academic and functional performance, accommodations, minutes, placement, and transportation
- Formal transition plan developed for students who are 13 ½ (or older) at the time of the meeting
